NOTICES OF MOTION

1. Brisbane Association:

"That Uniforms no longer be required for Committee of Management for the opening of State Titles unless there is a dignitary there to open the event. If there is a dignitary there that the Secretary to advise the Committee a minimum of 7 days prior to the event as the host of the event should have advised the QIBA secretary prior to this."

Explanatory note: This is all about saving time- if you are straight on after the opening, there is a lot of waiting while people get changed. If you are against slower players it makes the matter worse- people complain about waiting at State Titles, so this is a way to try to speed it up as well as not needing to take a uniform to wear for a few minutes.

2. From March Delegates Meeting

“That we change the Restricted Rinks to Restricted Triples to enable other Associations to enter”

DISCUSSION POINT

- Should we allow Independent Clubs to play in Restricted Events and be able to vote at Delegates meetings?
