- By adding a new 4” State Championships at the end of June will give more competition practice to those players who will be travelling away to play in the Australian Championships.
- Adding the Gala Weekend as an individual nomination event we hope will encourage more people to come along for a fun filled weekend of bowls.

Angus Young spoke against the Motion. Toowoomba Association is against the motion as it clashes with their 4 Game Day in June. He also stated that he thought it would be best to give the current change another year. Dulcie Casey said there were too many ‘Motions’ in one, Dalby Association says Yes to some parts of the Motion and No to others.

David Blyth spoke for the Motion. He said that this was the Proposal he presented to the July Delegates Meeting. He also stated that he had spoken to Errol Weir who had agreed to the changes proposed in June. He said that it all had to go in as ONE motion to get the May Championships back to May. After more discussion President Carmel asked for 3 scrutineers - they were Kyle French (Patron), Maryanne Pearce and Nettie Cooper (Jnr Vice President)

*Janet Stockel moved Standing Orders be in place at 2.40pm, seconded Nikki Ward. Motion Carried.*

*David Blyth moved that Standing Orders be rescinded at 3.00pm, seconded Maryanne Pearce Motion Carried*

**RESULT OF THE VOTING FOR THE NOTICE OF MOTION from Caloundra Indoor Bowling Association:-**

*Motion Lost.*

## **GENERAL BUSINESS**

### **1. Gala Weekend**

Angus Young commented that he thought the idea of a Gala Weekend was a good one. We need to look at events that are more enticing to social bowlers. And also look at the Restricted Events to see if they could be changed/improved to also include more players. President Carmel asked him to write up a proposal and send it to the next Delegates meeting.

### **2. Amendment to Nambour's Notice of Motion**

Janet Stockel stated that Nambour Association would like to move a Motion to amend the Motion that was passed in November, 2024. She said they would like to change the format to Saturday - 6 Bowls Pairs, Sunday - Fours and Monday - Men's Singles, Ladies Singles, Boy's Singles and Girl's Singles to make it an earlier finish on Monday. After some discussion, Janet Stockel moved "That the changes be put as a Notice of Motion on the Agenda for the March, 2026 Annual General Meeting, seconded Angus Young  
*Motion Carried.*

### **3. May State Championships**

Dulcie Casey asked if there could be a discussion on the May State Championships. She said that there were a lot of changes and she would like to know how everyone felt. David Blyth commented that having the Juniors playing on the one weekend is better. There were more Juniors playing. It then allows the Juniors to play Senior Events at other Titles. Kyle French said that the only problem people had spoken to him about was the late finish on Monday. He thought the numbers were up this year. It was the first year of the new format so we would have to assess how to proceed after next year.

**N.B.** No Association has applied to host the May, July or the October Championships next year.

### **4. Restricted Events – Dates and Venues**

The *Restricted Triples*, Annual General Meeting and Delegates Meeting will be held Saturday, 7<sup>th</sup> March, 2026 at the Caloundra Indoor Bowls Hall.

The *Restricted Pairs* and Delegates Meeting will be held Saturday, 4<sup>th</sup> July, 2026 at the Toowoomba Indoor Bowls Hall.

The *Restricted Singles* and Delegates Meeting will be held Saturday, 7<sup>th</sup> November, 2026 at the Wondai Town Hall, hosted by the Kingaroy Association.

### **5. Compulsory Practices – Dates and Venues**

The First Compulsory Practice will be held on the 11<sup>th</sup> and 12<sup>th</sup> July, 2026 at the Caloundra Indoor Bowls Hall.

The Second Compulsory Practice will be held on the 8<sup>th</sup> and 9<sup>th</sup> August, 2026 at the Toowoomba Indoor Bowls Hall. The State Team photo will be taken at Toowoomba on Saturday, 8<sup>th</sup> August, 2026.

### **6. Bylaws**

The Q.I.B.A. Inc Bylaws were updated and passed at a Committee of Management Meeting.

These now need to be ratified. Sharon Hancock moved "That the Bylaws be accepted", seconded Nikki Ward  
*Motion Carried.*

There was a short discussion on the Bylaws. Janet Stockel asked about the inclusion of "Assist with Sport and Recreation requirements" in the Bylaws. President Carmel stated that this needs to stay in for any future funding we may receive. Janet also asked about the Powers and Duties of a Referee or Umpire being left out. This was an oversight and will be put back in. Dulcie Casey asked about the Independent Clubs being allowed to play in Restricted Events. (Currently they cannot and therefore it is not mentioned in the Bylaws). This can be changed by a Notice of Motion at a Delegates Meeting. The Adjustments will be made to the Bylaws and they will be sent out.

### **7. Restricted Events**

Kyle French asked what people thought of the way Restricted Events were held. Should they be held over 1 or 2 days? He suggested that the COM should be given the power at the AGM to make a decision.

After more discussions Kyle French moved "That we leave the running of the Restricted Events Weekends (1 or 2 days) at the discretion of the COM. With the decision to be made at the AGM depending on the venue for the event, seconded Angus Young  
*Motion Carried.*

**8. Queensland Australian Team Selector Subsidy**

Kyle French enquired about the subsidy for Kaylene Weir to attend the Australian Team Trials as the Queensland Selector in January, 2026. He also stated that the AIBBC are looking into providing some assistance as well. Queensland will make a decision at the AGM once we know what the AIBBC decides to do.

**9. Subsidy for Queensland Players**

Angus Young asked if there were any re-imbursements for Queensland players who are attending the Australian Team Trials. There are 7 Queensland members going to the Trials in January, 2026. Angus Young moved "That we keep it the same as previous years for players to attend the Trials", seconded Janet Stockel *Motion Carried.*

**10. 2 Shot Penalty Rule**

Angus Young asked for a discussion on the "2 shot penalty" Rule that was passed at the AGM in March, 2026 as we have played a Championship under the rule. A number of people put forward their views, some for and some against.

**11. Respecting the Rules of the Game**

Angus Young commented on the Rules that are discussed before each State Title. He said he would like to have the "bowling outside the box" Rule explained before the start of play as he thinks this Rule is one that is not followed correctly. He stated that it should be the Controlling body and the Umpires policing it rather than players or opponents.

**12. Independent Clubs – Restricted Events**

Janet Stockel asked if the QIBA had written to the Independent Clubs. Secretary Annette said she has spoken to a Club on the phone and will write to the other Independent Clubs to gauge their interest.

**13. AIBBC Registrations**

Janet Stockel asked if the issue of players from other states playing in Queensland and other states had been mentioned at the AIBBC AGM. President Carmel replied that the Delegates were told that a player can be registered in as many states as they like. The AIBBC does not keep a Register (of player's names) and when each state pays their registrations all they have to send is the number of players in the state and the payment. The only names the AIBBC gets are the players in each State Team.

**14. Start of Play**

Janet Stockel asked if the team in question had been sent a letter. It has not been sent but will be as soon as possible.

**15. Shot Clocks for Queensland Events**

Janet Stockel asked if anyone had obtained any shot clocks. President Carmel has investigated the style etc of some shot clocks and is still looking. There was a discussion on how many would be needed and the issue of timing and the lack of non-playing Umpires.

**16. Coaching for State Team Members**

Janet Stockel asked if anyone had asked for Coaching. There were a few people interested but nothing official was received.

**17. Honour Boards**

Janet Stockel asked if the Honour Boards have been updated. They are still in the process of being updated.

**18. 2028 National Championships**

Janet Stockel asked if a Master of Ceremonies for the 2028 National Championships had been decided on. President Carmel stated that it had not been decided as yet. The discussion at the September COM meeting covered various aspects of running the National Championships in Caloundra.

**19. AIBBC Honour Boards for Open Singles Competition**

Janet Stockel asked about the discussion at the COM meeting on the presentation of the AIBBC Honour Boards for the Open Singles Competition. Queensland AIBBC COM member gave a detailed explanation on how the "Open Singles Championships" was to be held. The main point being that it was still to be the "National Singles Championships" with the "Open" side of the event to mean that any State

Registered player could enter – not just the four players from each State, and that Juniors were also able to play in the event. There was a lot of discussion with a number of people putting forward their views.

## 20. Players from Other States

Janet Stockel commented that the condition stated “that a player wishing to nominate for the Queensland State Team must reside in the state for more than 30 days” was incorrect. The motion that was passed in February, 2004 says that “the player was eligible for selection in the State Team 30 days after *Registration*”. There was a lot of discussion on Eligibility for the State Team and players’ commitment to Compulsory Practices. Apologies for the misinterpretation.

## 21. National Titles – AIBBC Guidelines

David Blyth asked if there were any Official National Titles – AIBBC Guidelines sent out to the States. He thought that there were mats from the Rockhampton era (2008) at Warrnambool which were deemed unsuitable some years ago.

Queensland has drawn up their own Guidelines to follow but have not received anything from the AIBBC.

## 22. Live Streaming at National Championships

David Blyth commented on the way the Teams/Players were selected to play on the TV Mat. He stated that they should be ASKED if they wanted to play on that mat, not TOLD that they had to. It should be the Teams/Players choice.

## 23. Driving with the 4” Bowls

David Blyth commented on driving with the 4” bowls. After explaining what he thought was the problem, he asked if the Umpires and Referees could get together and come up with a solution – decide what we are to do with a driving rule. The Queensland Rule Book is due to be updated and this will be considered

There being no further business President Carmel thanked everyone for their attendance at the meeting today. She also thanked the Rockhampton Association for hosting the Restricted Singles and the Delegates Meeting and closed the meeting at 4.25 pm.
